

The ORBITER

Hey Kids I'm Cosmo, Your New Super Saver Hero!

I am from the ICU (Intergalactic Credit Union) Association and I have teamed up with BrightStar CU to help you start saving.

Saving is Cool! So, start collecting those nickels, dimes & pennies and bring them to BrightStar CU.

It's Easy to Join!

If you already have a savings account with us and you are under 13, then you already belong to Cosmo's Kids Club. Stop by one of our branches to pick up Cosmo's Super Saver Card. If you do not have a savings account yet, simply drop by any of our branches and open your Cosmo's Super Savers Account. **It's FREE!**

Once you open your Super Savers Account you will get Cosmo's Super Saver Card. Every time you make a deposit of \$2 or more, you'll earn a sticker on your Card. Get 5 stickers and choose a prize from Cosmo's treasure box.

Be A Super Saver

You've spotted a new video game or a special toy, and you've just GOT to have it. But you can't afford it. What are you going to do? Try to save for it on your own! Saving to buy what you want with your own money feels good. It's a lot like learning to ride a bike.

Three steps to saving:

1. Gather some money. Did you get gift money? Do you receive an allowance? Can you do extra things around the house to earn money? Remember, every penny counts.
2. Find a place to keep your money while you continue saving. There are many places to put your money for a little while, such as in a special jar. Find a picture that makes you think of your savings goal and paste it on your container. Once you have a few dollars, the best place to keep it is at your Credit Union in a savings account. When you use a savings account, your money can grow, or earn

dividends. The more money you deposit in your savings account, the more dividends you can earn.

3. Make saving a habit. For example, just before bedtime, empty out your pockets and dump all the coins into your savings jar. Leave it there until your next trip to the Credit Union.

Before you know it, you'll reach your savings goal!
